### DETAILED ACTION

Claims 1-92 are pending.

Amendments filed in paper no. 5/B, dated 1/17/02 are partially entered. Deletion of fifth sentence on page 22 is entered whereas insertion of the term on page 22 as requested is not entered. See following rejection for reasons.

The reply filed on 4/22/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Single species is not elected. Elected species of claim 3 is not a single species, because in claim 3 all the substituents are not defined.

Applicant was advised that a reply to this requirement must include an identification of the species for search purposes that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered non-responsive unless accompanied by an election.

Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141. If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).

Applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in

order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
